

# Quality Improvement Plan Summary

Woodville Gardens School B-6 Children's Centre for Early Childhood Development and Parenting

Goals	Challenge of Practice	Success Criteria
<p>Improve children's' ability to engage in reciprocal conversation to express and extend ideas and knowledge.</p>	<p>If educators implement strategies for sustained shared thinking then we will improve children's ability to engage in reciprocal conversation to express and extend ideas and knowledge.</p>	<p>Analysis of pedagogical documentation will show that children are communicating and clarifying their thinking and interacting with others to extend their ideas.</p>

National Quality Framework Priorities	Key steps
<p>Quality Area 3: Physical environment</p>	<p>Design and effectively organise learning spaces to engage every child in quality experiences, using resources to 'invite' children to play and explore and promote reciprocal conversation.</p>
<p>Quality Area 1: Educational program and practice</p>	<p>Establish and implement a regular planning and teaching cycle that is intentional and responsive to individual children and promotes child agency.</p>
<p>Quality area 6: Collaborative partnership with families and communities</p>	<p>Improve parent and family engagement in the learning program. Develop and enact culturally responsive teaching practices to support inclusion and participation in the program.</p>
