

Woodville Gardens School B-7 Site Improvement Plan 2015

Overall context B-7 statement

Woodville Gardens School B-7 has been successfully working to create an exciting learning and care environment for children from Birth to Year 7 since 2011.

We work hard to be an innovative and leading school which provides the best possible standard of learning and care in child care, preschool and primary education. We continue to strive to create a multi-cultural socially inclusive school which values learning and care and one in which the community has confidence and pride.

Vision

A cohesive community of lifelong learners

Birth to Year 7

Innovative lifelong learning for all
Social inclusion

Priorities

1. Raise learner achievement standards 2. Improve learner well-being and inclusion 3. Build community capacity

The Site Improvement Plan needs to be considered alongside the **Quality Improvement Plan** for the Children's Centre and the **Inner West Partnership Plan**. Our directions and initiatives are highlighted and explained in these planning documents.

Quality Improvement Plan – Quality Priorities

1. Education program and practice 2. Children's Health and Safety 3. Physical environment 4. Staffing arrangements 5. Relationships with children 6. Collaborative partnerships with families and communities 7. Leadership and service management

Inner West Partnership Priorities

1. Ensure all children will learn and achieve to their academic and life potential 2. Develop smooth transitions through the education system to ensure continuity of learning (0-18 years) 3. Implement improved and integrated approaches to working with community agencies toward more equitable access by children, young people and families in the Partnership

These three plans show how the priorities are aligned across the whole school Birth to Year 7, and with the broader Inner West Partnership.
