- 31/10/18 9:00pm Whole School Assembly
- 23/11/18 STUDENT-FREE DAY

Dear families and friends,

### Class placement for 2019

Staff will consider class groups for 2019 in the next few weeks. If parents have any requests relating to the placement of their children along with or away from other students please inform the school in a confidential manner eg by contacting your child’s teacher or emailing [dl.1904.info@sa.edu.au](mailto:dl.1904.info@sa.edu.au).

We are not able to accommodate requests for specific teachers but we do consider your child’s relationships with their peers, building a positive learning environment around them where possible.

### Parent Forums: “Living in a Digital Age”

Over the next few weeks we are organising forums to educate parents of Primary children around the usage and risks associated with Technology and Social Media.

Concepts covered include:

- Digital Learning; “How much is too much?”
- The impact of Digital Technologies on Social & Emotional Wellbeing
- What do positive relationships look like in a digital world?
- Cyber safety: presentation by SAPOL

Many families are faced with decisions regarding the use of digital tools, often without the opportunity to access guidance and information. These sessions are designed to explore the pros and cons of our children using digital tools as part of learning and socializing.

The sessions will be held in the library from 2:30-3:30pm.

Students will be supervised in the main yard until 3:30 (or the gym if weather dictates).

The first session is:

**Next Thursday, 25/10/18 Parent Information Seminar: Video Streaming of “Digital Learning; “How much is too much?”**

### “Sun-safe Uniform”

A reminder to all families that with the warmer weather comes the expectation that we will protect our children from the potential of sun damage and skin cancer by wearing school hats.

For the majority of our children wearing their school hat is a positive and healthy habit. Unfortunately some children, as they grow older, demonstrate defiance by refusing to follow school rules and wear their hats. They wander around the yard; ignoring staff requests to stay safe in the shade and set poor examples for younger children. If a child doesn’t have an approved hat and refuses teacher instructions they will be asked to go to Reflection during the next play session; more for their defiance than not having a hat.

**Please support staff in keeping your child safe by ensuring they have a sun-safe hat.**

Kind regards,

Fiona Voigt, Principal

## PRELOVED BIKE RAFFLE WINNERS

"Congratulations to Evie from 808 and MJ from 608 and who won a bike each in the 2018 pre-loved bike raffle!"
